Club Vale Expansion

Dear Parents and Carers,

The School and Club Vale have been in continual discussion regarding the need from our community to expand the numbers of children that we are able to provide before and after school care for. This discussion has taken place over a number of years and has a number of challenges, mainly relating to useable space for this expansion. This aspiration was outlined within our recently published draft vision document and has received a number of comments in support of it.

The unfortunate closure of the Children's Centre based in a section of one of our buildings has provided the School, in partnership with Club Vale, the opportunity to explore using this area. This is in addition to the areas currently used by Club Vale in order to expand the service provided.

We are delighted to announce that a slow expansion of the service will begin after the Easter holidays. This will mean that over time the current full capacity for breakfast club will change from 48 pupils to 78 and for after school club from 70 pupils to 100 (the breakfast club expansion depends on the outcome of a 'variation to planning application' that we have made to change the hours of use for this building to accommodate this).

The new area of our site will be used for EYFS, Year 1 and Year 2 extended care whilst the rainbow room and the KS1 hall (the areas currently used) will be predominantly for Years 3 to 6.

From Monday March 30th 2020 children in EYFS, Year 1 and Year 2 will start to use the new building and parents who currently use this service who have children in these year groups may be directed to drop off and pick their children up at this new location. From after the Easter holidays additional spaces will be offered to those currently on the waiting list as soon as Club Vale are able to appoint the increasing number of staff needed. If you are currently on this waiting list and still wish to use this service please contact Karen Dandy using the email clubvale@hotmail.co.uk in order to liaise directly with Club Vale.

We hope that this significant expansion goes some way towards meeting parental demand and thank you for your patience during this transition period. We look forward to continuing to work in partnership in the provision of this service.

Yours sincerely,

Anthony Marsh
Executive Principal

Karen Dandy
Director Club Vale
